

LearningExpress Library™

Helping Jumpstart Careers and Improve Lives

What is the impact of a high school diploma among working adults?

In today's uncertain economy, those lacking a high school diploma face an unemployment rate which is 65% higher compared to the unemployment rate for those who have completed high school or have an equivalent GED credential.

The solution is simple. . .

Help your patrons prepare for the GED Exam with LearningExpress Library™

LearningExpress Library's GED Learning Center offers the most up-to-date courses and practice tests that help people obtain their GED credential.

With LearningExpress Library™ patrons have access to:

- **GED practice tests** that provide an authentic experience by following timing, scoring, and Q&A format of the official exam
- **Interactive skill-building tutorials** that guide users through each part of the GED exam, including Language Arts, Mathematics, Science, Social Studies, and Writing
- **Instant feedback and diagnostic score reports** that pinpoint strengths and weaknesses
- **Detailed answer explanations** that provide better understanding of subject matter
- **Instant essay scoring** enables writing skills improvement and provides authentic essay practice for GED exams
- **All in an easy-to-use Web interface**, accessible from any Internet-enabled computer

With the GED in hand, opportunities abound and LearningExpress is there to help with over 770 academic and career-oriented practice tests and interactive tutorials:

- **Job Search and Workplace Skills Improvement**, including resume writing, interviewing techniques and business writing
- **Career Certification and Licensing** practice tests and preparation courses
- **21st Century Skills Improvement** courses in reading, writing and math
- **College Entrance**, including entrance exam practice tests and preparation courses

With LearningExpress Library™ you can offer your patrons the tools they need to SUCCEED!
