Choose to Read Ohio

- Floyd's Pick Book Award
 - **Hello** by Aiko Ikegami (Creston Books, 2019) has been named the sixth annual Floyd's Pick Book Award winner in memory of children's literature expert, advocate, and librarian Floyd Dickman.

The vision of the State Library of Ohio is a Smarter Ohio where every Ohioan can access the necessary resources to be engaged citizens, excel at their jobs, participate in the workforce, and pursue their passions and interests.

- The Floyd's Pick Book Award is given annually to a book written by an Ohio author or illustrated by an Ohio illustrator that is representative of high-quality literature created for children. It is given to carry on the legacy of Floyd Dickman's work to support and share children's literature. The Choose to Read Ohio (CTRO) Advisory Council established Floyd's Pick in December 2015 and selects the annual winner and honor books.
- The CTRO Advisory Council has also selected three Floyd's Pick Honor Books for 2021: **The Arabic Quill** by Aya Khalil, illustrated by Anait Semirdzhyan (Tilbury House Publishers, 2020); **Go, Girls, Go!** by Frances Gilbert, illustrated by Alison Black (Beach Lane Books / Simon & Schuster, 2019); and **The Oldest Student: How Mary Walker Learned to Read** by Rita Lorraine Hubbard, illustrated by Oge Mora (Schwartz & Wade / Penguin Random House, 2020).
- To learn more about these books and about the Floyd's Pick Book Award, visit the [Floyd's Pick website](#).
- The 2021 & 2022 Choose to Read Ohio (CTRO) program cycle officially kicked off in January. The [2021 & 2022 CTRO booklist](#) features 20 notable titles for all ages and reading levels. The booklist includes five books each for young children, middle grades, teens, and adults, and encompasses fiction and nonfiction and a variety of geographic and cultural interests. Ohio librarians, teachers, and other book experts help to select the biennial CTRO booklist.
- Readers' toolkits for the 2021 & 2022 titles are in development and are being posted to the CTRO website (<https://library.ohio.gov/ctro>), along with other information about the featured books and about CTRO.
- Contact Janet Ingraham Dwyer at jdwyer@library.ohio.gov with any questions about CTRO.

Summer Food Service Program

- Many libraries in Ohio and around the USA participate in the Summer Food Service Program (SFSP), a USDA-funded program that provides free meals and snacks to children ages 0-18 in communities with high levels of need. Besides the obvious benefits of addressing hunger and supporting vulnerable youth, SFSP participation benefits libraries through:
 - Access to new user groups, especially underserved and marginalized populations;
 - Increased visibility of the library as a community asset;
 - Opportunities for new partnerships;
 - Positioning of the library as an important stakeholder in community well-being and positive child outcomes;
 - Support for summer library programming through increased attendance.
- If you are already an SFSP site or have been in the past, work with your current/previous sponsor to prepare for summer 2021. Current USDA waivers allowing for non-congregate meal distribution (grab & go) and relaxing area eligibility are in effect through September 30 (as of now).
- If you want to become an SFSP site, the Collaborative Summer Library Program offers a thorough and clear how-to guide for libraries.
 - [Libraries and Summer Food](#) provides a step-by-step for libraries interested in becoming SFSP sites, or otherwise getting involved in addressing child food insecurity during the summer.
- The [Children's Hunger Alliance](#) can serve as an SFSP sponsor for eligible sites in all 88 Ohio counties for distribution of shelf-stable meals and snacks that meet nutrition guidelines. You may also consider completing the [Ohio Department of Education's Potential Sponsor Survey](#). The ODE administers the SFSP statewide and identifies new sponsors and sites through this survey.
- The State Library also offers a basic guide for Ohio libraries: library.ohio.gov/summer-food.

Summer Library Program/Summer Reading Program

- An online access code for the 2021 Collaborative Summer Library Program manual was sent to a representative of each of Ohio's 251 public library systems in the fall. The access code may be used by all library buildings and departments in multi-location systems. Ohio public libraries' membership in CSLP and access to the online CSLP manual are fully supported by federal LSTA funds administered by the State Library of Ohio. The online manual includes the complete program manual, all artwork and downloadables, and many extra resources not available in the static manual formats.
- The 2021 CSLP slogan is "Tails and Tales." The program features animal-themed artwork by [Salina Yoon](#).
- Contact Janet Ingraham Dwyer at jdwyer@library.ohio.gov if you need the CSLP access code or with any questions about SLP.

Transforming Teen Services

- The Young Adult Library Services Association (YALSA) is leading a nationwide training initiative to support and elevate teen services in libraries and other learning environments. Transforming Teen Services integrates connected learning, computational thinking, and youth development to help librarians build responsive services for and with teens. A national cohort includes teams of trainers from 46 states; Washington, DC; and the Northern Mariana Islands. Ohio's team consists of: Kristin Wilson, Loudonville Public Library; Steve Moser, Dayton Metro Library; and Janet Ingraham Dwyer, State Library of Ohio.
- After planned trainings across Ohio were interrupted by the public health emergency, Ohio's team developed a four-session, six-hour online Transforming Teen Services course. The fourth cohort of this course is currently meeting. Future cohort opportunities will be posted to the Library Youth Services and Ohio Teen Librarians listservs. Contact Janet at jdwyer@library.ohio.gov with questions.
- Transforming Teen Services prioritizes the value of services for and with teens, the uniqueness of each community, and the primacy of equity. Learn more: www.ala.org/yalsa/train-trainer-project.
