STATE LIBRARY OF OHIO

American Rescue Plan Act (ARPA)

- The State Library of Ohio announced the launch of the Ohio Collection Analysis Initiative. Ohio library staff now have exclusive access to an original, self-paced, collection analysis initiative for considering collections that empower children and young adult readers by respecting and appreciating what makes them different and the same. This initiative provides the tools, time, and support to consider your library's print collections for children and young adults.
- Notable highlights from this initiative:
    - Free for staff working in all types of Ohio libraries! It is available at no cost to you.
    - There are no time constraints for completing this program. Set your own goals and progress at your own pace.
    - Personalized support. You have access to a dedicated, full-time specialist for assistance at any time.
    - Unlimited access to a Collection Analysis Toolkit. This toolkit complements the collection development work you already have in place.
    - Unlimited access to a vetted collection of materials about children's & young adult books and authors.
    - Identifiable action steps. You will receive a custom Implementation Plan that outlines your collection development decisions and next steps.
- Register here for access to the Ohio Collection Analysis Initiative
- Two "getting started" webinars focused on this initiative were held in May, co-facilitated by Erin Kelsey; recordings can be accessed here: https://library.ohio.gov/services-for-libraries/library-programs-development/ohio-collection-analysis-initiative/#Webinars
- Additionally, line online "office hours"—where library staff interested in the initiative, or currently using the toolkit can drop by to ask a quick question—will be hosted by State Library and TeachingBooks staff. Information will be shared here: https://library.ohio.gov/services-for-libraries/library-programs-development/ohio-collection-analysis-initiative/#OfficeHours
- The Ohio Collection Analysis Initiative is a collaborative project of the State Library of Ohio and TeachingBooks.net. The project is funded in whole or in part with Institute of Museum and Library Services (IMLS) and American Rescue Plan Act (ARPA) federal funds granted to the State Library of Ohio.

Summer Food Service Program

- Many libraries in Ohio and around the USA participate in the **Summer Food Service Program** (SFSP) and/or At-risk Afterschool Meals/Snacks (a part of the **Child & Adult Care Food Program** or CACFP). These are USDA-funded programs that provides free meals and snacks to children ages 0-18 in communities with high levels of need. Besides the obvious benefits of addressing hunger and supporting vulnerable youth, SFSP and CACFP participation benefits libraries through:
    - Access to new user groups, especially underserved and marginalized populations
    - Increased visibility of the library as a community asset
    - Opportunities for new partnerships
    - Positioning of the library as an important stakeholder in community well-being and positive child outcomes
    - Support for summer and year-round library programming through increased attendance
- If you are already an SFSP or CACFP site or have been in the past, work with your current/previous sponsor to prepare for summer and the upcoming school year.
- If you want to become an SFSP site, the Collaborative Summer Library Program offers a thorough, clear how-to guide for libraries: **Libraries and Summer Food** provides a step-by-step for libraries interested in becoming SFSP sites, or otherwise getting involved in addressing child food insecurity during the summer. The State Library also offers a basic SFSP guide for Ohio libraries, and No Kid Hungry has recently created a resource for libraries interested in SFSP or CACFP.

The vision of the State Library of Ohio is a Smarter Ohio where every Ohioan can access the necessary resources to be engaged citizens, excel at their jobs, participate in the workforce, and pursue their passions and interests.

www.library.ohio.gov   274 East First Avenue · Columbus · Ohio · 43201   614-644-7061

- The Children's Hunger Alliance can serve as an SFSP and CACFP sponsor for eligible sites in all 88 Ohio counties for distribution of shelf-stable meals and snacks that meet nutrition guidelines. You may also consider completing the Ohio Department of Education's Potential Sponsor Survey. The ODE administers the SFSP statewide and identifies new sponsors and sites through this survey.
- **Please note that the waivers that granted the USDA flexibility to expand SFSP and ease requirements on meal distribution during the pandemic are set to expire on June 30.**
- Contact Janet Ingraham Dwyer at jdwyer@library.ohio.gov with questions about the nutrition programs.

Summer Library Program/Summer Reading Program
- Ohio State Parks, the Ohio State Fair, and the Ohio Renaissance Festival support Ohio public libraries' summer programming with coupon incentives. Any Ohio public library may, at its discretion, distribute these coupons. Contact jdwyer@library.ohio.gov if you work at a public library and need the download links and instructions.
- The Greater Cleveland Aquarium supports Ohio public libraries' summer programming with two special offers including a specially discounted virtual program and a 50% discount on a 4-pack of admission vouchers to use as SLP prizes. See the Greater Cleveland Aquarium special offer flyer for details on both offers.
- The 2022 Collaborative Summer Library Program manual is made available to every Ohio public library building and is fully supported by federal LSTA funds administered by the State Library of Ohio. The 2022 CSLP slogan is "Oceans of Possibilities." The program features artwork by Sophie Blackall on the theme of Oceanography.
- Starting with the 2017 program ("Build a Better World"), CSLP fully owns the artwork for each program year and makes it available to CSLP member libraries in perpetuity. All Ohio public libraries may use all artwork and slogans (from 2017 on), year-round, for summer or winter reading programs or any other programming or publicity use within CLSP's Rules of Use.
- See the Ohio Summer Library Program website for additional resources, and contact Janet Ingraham Dwyer at jdwyer@library.ohio.gov with any questions about SLP.
