Chris Burton is a fantastic performer! We have enjoyed having him at the Madison County Public Library several times over the past few years. We started our journey with Chris by hiring him as Santa, and now he continues to be our go-to library Santa every year. As the character PJ, he wows the crowd with his unique magic tricks. His show is very professional. While his character work and magic show are very impressive, we keep hiring him because he's genuinely a really nice guy. This is most evident in how he interacts with children. He's patient and fun, and our staff love having him with us. I have recommended PJ's Magical Events to many librarians in my region.

Sincerely,
