

Recommendations for Steve Featherston
featherocks@gmail.com

“I had the pleasure of having Steve for our Summer Reading closing program last year and he did a wonderful job of playing several instruments for entertaining the children and also asked for participation from the children. We had a wonderful time and were enriched by our experience. I have asked Steve to come again this year for our Summer Reading Program and look forward to seeing him in July of this year.”

Linda Zugg
Fayetteville Library, Brown County Public Library
Associate for Youth Services

“Steve has performed multiple times for me for the Clermont County Public Library. He has done Christmas songs for a Senior Center outreach and he performed a children's variety show for the branch (Owensville) in 2012. Steve is great to work with. He is a fine musician and talented singer. I wouldn't hesitate to use Steve again for us at CCPL!”

Chris Rich
Owensville Branch Manager

“Steve Featherston has performed at our library on multiple occasions. He does a fantastic job of entertaining the children with well-known and original songs. He encourages audience participation and is a pleasure to work with. He provides a quality music experience for a very reasonable price. I look forward to having him perform for us again in the future.”
