DIRECTOR, KELLY WARD
FISCAL OFFICER, NANCY STAUFFER

5/6/2019

I am the Youth Services Supervisor for Putnam County District Library. Magic Nate and I have worked together since 2015 to bring Magic to the families of Putnam County. I first saw him perform at a Performers Showcase at Way Public Library. He never fails to entertain.

Magic Nate makes the impossible possible without speaking a single word. His Magical Marvels are set to whimsical music while his audience SILENTLY watch for his next magical mystery. Families of the Putnam County District Library always looks forward to visits from Magic Nate.
