Ms. Margot Bevington has performed at Middletown Public Library multiple times. Her music is engaging and our patrons have enjoyed the programs she has been at. Her CDs have a nice variety of topics that are age-appropriate and an easy way to learn different concepts. Ms. Margot is very enthusiastic and easy to work with; she is flexible and worked with our schedules and needs. She has also created projects and coloring books to go along with her music; this was something suggested to her and she worked to include it in her performances.

Thank you, and please contact me with any questions.
